As an enrollee in this program, I understand that:

1. I will receive a bill each month even though I am on the automatic checking account payment plan. It will tell me the amount of my electric bill that will be charged to my checking account.
2. If I enroll close to the date my payment is due, I will need to send that month's payment. The next month's payment will be automatically charged to my account.
3. The payment will be charged to my checking account within five working days of the billed date on the electric bill. If Ocmulgee Electric fails to do this, any late charge, which results, will be removed.
4. If my checking account is declined for whatever reason, Ocmulgee Electric will attempt to contact me for an alternate payment arrangement. My account will be subject to normal credit procedures and NSF charges. If my payment is declined twice within a 12 month period, Ocmulgee Electric may cancel my participation in this program.
5. If my checking account number changes, I will notify Ocmulgee Electric of the new account number. If I fail to provide this information prior to the draft date and Ocmulgee Electric is unable to process my payment, I will be responsible for an alternate payment arrangement and any late fees that result.
6. I will notify Ocmulgee Electric if I wish to cancel this agreement.
7. Ocmulgee Electric may cancel this agreement at any time without written notice.

By signing this authorization, the Member acknowledges that he/she has read and agree(s) to all of the above.
